

May 3, 2020 - Hike for Hospice—SPONSORSHIP PACKAGE

On the first Sunday of May each year, our community joins others across the country to hike in support of Hospice and Palliative Care.

Please join the 8th annual Hike for Hospice with a Corporate Sponsorship.

Valley Hospice

This spring we celebrate the opening of our Valley's new Hospice residence. Many have worked hard to create a welcoming place that will become a final home for patients with life-limiting illnesses and their families.

Hike for Hospice – May 3, 2020

Our Hike raises funds to support services including professional development for the care team, volunteer services, complementary therapies, bereavement support, and special enhancements to the Valley's new hospice residence.

How can you help?

- * Sponsor the Hike for Hospice,
- * Sponsor a company team to participate,
- * Encourage your employees to participate individually in the hike.

www.valleyhospice.ca for registration.
