

What's happening?

This year marks the 11th year of our community coming together to raise funds and celebrate the compassionate care that Hospice and palliative care provides to individuals and their families at the end-of-life in the Annapolis Valley.

Lace up and come hike with us!

May 7, 2023 marks the beginning of national #hospicepalliativecareweek in Canada. It is a special day when the Valley joins other communities across Canada to Hike in support of Hospice and Palliative Care programs.

Who will you Hike for on May 7?

Coming together to remember someone special and to honor our personal connections to hospice & palliative care is at the heart of the Hike for Hospice.
