

Hike for Hospice & Palliative Care 2023 - \$28,213 Raised

Our hearts are full!

Thank you for your support of the [Valley Hospice Foundation](#) at its 11th Hike for Hospice & Palliative Care. May 7th was a letter-perfect day for a Hike and we are delighted that over \$28,000 was raised during the event, with donations gratefully accepted until May 14th.

The Hike marks the start of [National Hospice Palliative Care Week](#), May 7-13. This year's theme, *Palliative Care Everywhere*, reminds us that palliative care "can be provided in any setting – from hospice, to long-term care, to hospital, to home" (CHPCA, 2023).

Thanks to [East Coast Refrigeration and Air Conditioning](#), not only a fundraising team but also our 2023 T-shirt sponsor.

Please come hike with us again in 2024. A hospice is more than a building – it is a philosophy - it is a community of care for the dying and the living. Our hike is a wonderful opportunity to celebrate quality hospice and palliative care in our region while remembering those who have left us too soon.

Terri Milton, Fund Development Chair
