What's happening?

2024 marks the 12th year of our community coming together to raise funds and to celebrate the compassionate care that Valley Hospice, Annapolis Valley Palliative Care and other care teams provide to those experiencing life-limiting illness, end-of-life, and bereavement.

Lace up and join our hike!

May 5, 2024, also marks the beginning of national #hospicepalliativecareweek in Canada. The Valley joins other communities across Canada to Hike in support of Hospice and Palliative Care.

Coming together to remember someone special and to honor our personal connections to hospice & palliative care is at the heart of the Hike for Valley Hospice & Palliative Care.

Who will you hike for on May 5, 2024?

When good people come together for a good cause, the possibilities are endless. Thank you for your kind support!
